

Operate your AutoGate with **Digicraft HOME** Mobile App

Work together with:

- Digicraft compatible autogate driver
- Internet connection
- Digicraft IoT Hub
- Autogate Remote App

Digicraft Home

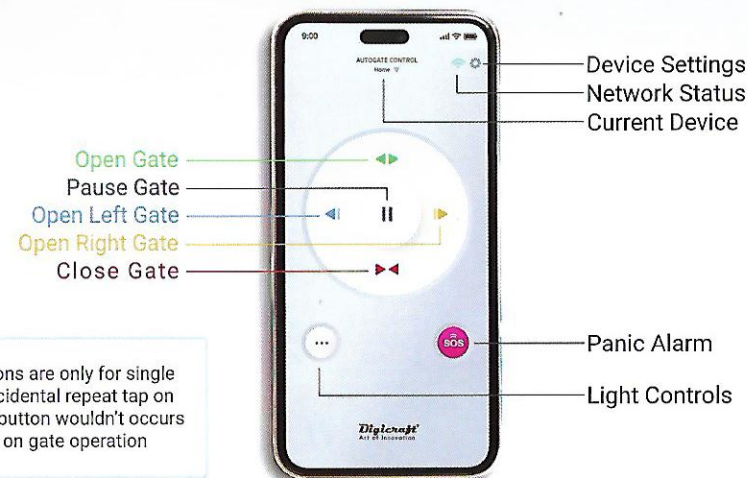

www.digicraft.my

First AutoGate in-house designed Smart Home Device

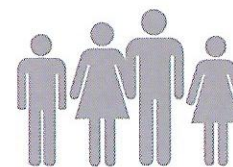

SIMPLE TO USE

Each buttons are only for single action, accidental repeat tap on the same button wouldn't occurs confusion on gate operation

SHARE IT WITH YOUR FAMILY

Family with multiple user may access the same IoT Hub on different devices to operate the automatic gate by download the **Digicraft Home Mobile App**

Purchase the IoT Hub from your auto gate dealer in-order to use the app.
